MANUFACTURER'S CERTIFICATE — AMI® VINYL WINDOW AND PATIO DOOR PRODUCTS
PRODUCED FOR WINDOW WORLD AND WORLD OF WINDOWS

Associated Materials Incorporated (AMI), headquartered at 3773 State Road, Cuyahoga Falls, OH 44223, manufactures exterior window and patio door products. ENERGY STAR® qualified windows and patio doors, which meet or exceed the criteria established by the U.S. Department of Energy for each of the climate zones, may qualify for a tax credit under part of the “fiscal cliff” legislation known as H.R.8 – American Taxpayer Relief Act of 2012. Qualifying product criteria shall be those that meet ENERGY STAR criteria in the climate zone in which they are installed. Products shall qualify for the aforementioned energy-efficient, home improvement incentives that allow for a tax credit of 10% of the cost of the qualifying windows to a maximum of \$200 per household and patio doors to a maximum of \$500 per household for 2012/2013. Note: There is now a lifetime limit of \$500 (\$200 for windows/skylights) in total credits that a homeowner can claim from January 1, 2006 to December 31, 2013. It is **not** on top of the \$1,500 limit in 2009-2010. The cost of installation may not be included.

AMI represents that the following families of window and patio door products, when purchased with a qualifying* ENERGY STAR glass package, meets the requirements as stated above.

Model 6000 Series Vinyl Windows

Model 4000 Series Vinyl Windows

Model 3000 Series Vinyl Windows

Model 2500 Series Vinyl Windows

Model i201 Series Vinyl Impact Windows

Model i970 Series Vinyl Impact Windows

Model A172 Series Patio Doors

Model 6400, 6100, 5200 & 5100 Series Patio Doors

*Qualifications vary by model and ENERGY STAR climate zone. Each product will meet or exceed the requirements of an ENERGY STAR qualified window or patio door when purchased with, or with a combination of, SolarZone or SolarZone Elite low emissivity (Low-E) glass packages, and/or the addition of internal poly liners, and/or the addition of grids or muntins within the glass unit, and/or the use of non-metal insulating glass spacer. This Certificate is intended to show that AMI Window and Patio Door Products are Eligible Building Envelope Components, homeowners should consult their tax advisor to determine whether they qualify for any potential income tax credits.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.

David L. King

Vice President, AMI Sales

Associated Materials Incorporated
